

Children's Sunday School

Each Sunday morning, children's classes are led by loving adults in exciting, attractive, well-equipped classrooms and use "Exploring Faith," the United Methodist Literature. Children will learn the story of our Christian faith through age-appropriate activities, storytelling and hands on experiences, and caring relationships. Children must be class age by September 1.

All students are to remain in the same class until promotion Sunday in the fall. Do not change classes on the child's birthday.
