

Outreach at Riverchase United Methodist Church can be defined as the act of reaching out and extending of services beyond the usual limits.

The outreach and service opportunities at Riverchase United Methodist Church (RUMC) are endless. Our outreach ministry touches the lives of children, battered women, the local community, older adults and less fortunate individuals and families. Our efforts to serve others do not end there. We additionally assist with rehabilitation programs for drug related issues, support a local Hispanic ministry and pray and fund missionaries around the globe.

Inside you will find a list of areas that members of our congregation are involved with currently. Please contact any of the listed people to join the mission-minded force here at RUMC.
